

EDITAL PARA ATRIBUIÇÃO DE BOLSA NO ÂMBITO DE PROJECTO BOLSA DE GESTÃO DE CIÊNCIA E TECNOLOGIA (MESTRE)

03/04/2018

Announcement of one Master Science and Technology Management Fellowship (MsC BGCT) within the framework of the project: “Small Farms, Small Food Businesses and Sustainable Food Security (SALSA)”, H2020 grant agreement No 677363 – Ref. BGCT-SALSA-01-2019

A call is open to award one Master Science and Technology Management Fellowship (MsC BGCT) under the project “Small Farms, Small Food Businesses and Sustainable Food Security (SALSA)”, ref. nº 677363, funded by the European Union in the scope of the H2020 Program, call H2020-SFS-2015-2, under the following conditions:

Scientific domain: Social Sciences

Admission requirements: Candidates will be admitted to the call when demonstrating a master degree in Social Sciences, preferably Sociology or related subjects.

Preferential factors for admission:

- i. Knowledge on the management of projects and research activities related to dynamics and governance in southern European context, namely in the Alentejo (30%)
- ii. Experience in management and administrative functions in scientific research activities, namely:
 - a. Management and administrative procedures for research in the Portuguese public sector (20%);
 - b. Communication with universities and research centers, national and foreign (20%)
- iii. Experience in organizing group activities as seminars, workshops, meetings and other scientific events (15%)
- iv. Proven international experience and proficiency in English (15%)

Work Plan: SALSA is a multi- and transdisciplinary project which brings together both academic and practitioner partners within the consortium and its implementation will involve close cooperation with a range of stakeholders and organisations at multiple governance levels (EU, national, regional, local) and across the EU and Africa. The Fellow will be focused on the Work Package WP8 “Project management and Coordination”, which is designed to deal with the underlying complexity of such a project and to actively facilitate a smooth coordination of all activities and implementation of the project.

The work developed for the management of the project relies on the experience among the partners of former European and other large-scale projects, in research and in collaborative processes where stakeholders are involved. Due to the complexity deriving from multiple types of consortium members and the close interaction with stakeholders at multiple scales, the management construction has been

designed with particular care. Specifically, the fellow will support the development and implementation the following tasks:

1. Support work package leaders in the planning and implementation of individual work packages
2. Preparation of the SALSA final conference
3. Organization of meetings with the consortium, providing agendas and backup material
4. Management of all unforeseen exceptional and emerging situations

Relevant legislation and regulation: This scholarship will be carried on the basis of a signed contract between the University of Évora and the scholarship recipient, under the terms of the Research Scholarship Regulations of the University of Évora (Ordem de Serviço nº1/2011), the Scientific Research Grant Holder Statute (Law nº40/2004 of the 18 of August and Decree-Law nº202/2012 of the 27 of August) and according to the Regulations and legislation for advanced training and qualifications for human resources of the Fundação para a Ciência e a Tecnologia (FCT).

Place of work: The work is to be developed at the ICAAM, Polo da Mitra of the University of Évora.

Length of the scholarship: Six months, beginning May 2019, eventually renewable up to the end of the project 31 March 2020.

Payment: According to the scholarship values applied by the Portuguese Research Foundation (<http://alfa.fct.mctes.pt/apoios/bolsas/valores>): the monthly payment is of 989,70 Euros, not subject to taxes, and the contribution to the national social-medical insurance is paid by the project. The payment is done by cheque or bank transfer on a monthly basis.

Selection: The selection is done based on the documentation sent, mainly the analysis of the CV. An interview may be required. The interview will be used to select between candidates equally ranked. When the candidates are not available to come to Évora, the interview may be undertaken using skype.

Selection Comitee: Professor Teresa Pinto Correia; Professor Gottlieb Basch; PhD Sérgio Godinho.

Announcement of results: The results will be published through a ranked listed and disposed at the entrance of Colégio de Regentes Agrícolas do Núcleo da Mitra da Universidade de Évora. The candidates receive the information by e-mail.

Period for the call and presentation of application: The call is open in between the 4th April 2019 and the 17th April 2019. The results will be announced until the 19th April 2019.

Applications should be mandatorily formalized through an application letter accompanied by the following documents: a) curriculum; b) diplomas and certificates, as well as any other document considered relevant for the application by the candidate. Applications should be sent (with the reference “BGCT-SALSA-01-2019”) to the project Scientific Coordinator: Teresa Pinto Correia - mtpc@uevora.pt.
