## HERCULES LABORATORY – UNIVERSITY OF ÉVORA

### RESEARCH SCHOLARSHIP – 1 VACANCY

13<sup>th</sup> of February of 2025

A call for tenders is open for one (1) research scholarship for a Bachelor's Degree within the scope of the project "GC-CIGA – Glazed ceramic introduction and consumption in the Garb al-Andalus", ref. 2023/13937/PEX, financed by national funds through the Portuguese FCT – Fundação para a Ciência e a Tecnologia, under the following conditions:

**Scientific area:** History, Archaeology, Geology, Material Science.

**Admission requirements:** Have a degree in one of the areas defined above. Preference will be given to those candidates who demonstrate experience and competence in ceramic archaeometry. Specifically, sample preparation (thin section and resin polished blocks), and the application of optical microscopy, X-Ray diffraction, X-Ray fluorescence, SEM-EDS, and LA-ICP-MS on ceramics will be considered on candidates. Publications on indexed scientific journals will be also considered. The knowledge of other scientific methods will be positively evaluated.

As set forth FCT Research Scholarship Regulation No. 950/2019 of December 16, 2019, article 3 and 6, candidates for "BI" (Research Grants) must comply as a rule condition for the award of the scholarship, the effective inclusion in study cycles leading to the attribution of academic degrees or in courses not leading to an academic degree. Courses that do not confer an academic degree correspond to the courses provided for in subparagraph e) of paragraph 3 of article 4 of Decree-Law No. 74/2006 of 24 March and must be developed in a higher education institution in association with at least one R&D unit, including a course plan in one or several research areas of the unit.

**Work plan:** The candidate will develop scientific activities included in tasks 3 (Digital Microscopy and micro-analysis of glazed decorations) and/or 4 (Lead isotopes and trace elements determinations) of the project "GC-CIGA: Glazed ceramic introduction and consumption in the Garb al-Andalus (2023/13937/PEX)".

**Applicable legislation and regulations:** The granting of the Research Scholarship will be carried out upon the signing of a contract between the University of Évora and the scholarship holder, according to the version in **Annex I**, pursuant to the Research Scholarship Statute (Law no. 40/2004 of August 18, as amended) and considering the provisions of other applicable legislation and regulations, namely, the Research Grant Regulations of the University of Évora (published by Order no. 8131/2024, of July 22, 2024), and the Research Grant Regulations of the Science and Technology Foundation, I.P. (Regulation no. 950/2019, of July 22, 2024). <sup>9</sup>

**Place of work:** The work will be developed at the Hercules Laboratory of the University of Évora, under the general coordination of the Administrator of the University of Évora and the scientific guidance of the PhD, Massimo Beltrame, who must draw up an opinion on the final activity report of the scholarship (**Annex II**), according to the draft in **Annex III**.

**Duration of the scholarship(s):** The scholarship will have a duration of 6 months, starting in April of 2025. The scholarship contract may be renewed up to until the end of the funding project's budget allocation for tasks development.

**Amount of monthly maintenance allowance:** The amount of the scholarship corresponds to €1040.98, according to the table of scholarships awarded directly by FCT, I.P. in Portugal ([https://www.fct.pt/wp-content/uploads/2024/02/Tabela-de-Valores-SMM\\_atualizacao-2024.pdf](https://www.fct.pt/wp-content/uploads/2024/02/Tabela-de-Valores-SMM_atualizacao-2024.pdf)), payments being made monthly, by check or bank transfer.

**Selection methods:** The selection methods to be used will be the following: curriculum evaluation and, eventually, interview with the respective valuation of 1) experience and competence in ceramic archaeometry (70%weight); 2) Publications on indexed scientific journals (20%weight); 3) knowledge of other scientific methods(10%weight).

**Composition of the Selection Jury:**

President of the Jury: PhD Massimo Beltrame

1º Effective member – Prof. José Mirão

2º Effective member – Prof. Susana Gómez Martínez

1º Alternate member – PhD, Mafalda Costa

2º Alternate member – Prof. Patrícia Moita

**Advertising/notification of results:** The final results of the evaluation will be publicized, through an ordered list by final grade obtained posted in a visible and public place at the Hercules Laboratory (Largo Marquês de Marialva, 8, 7000-809 Évora), being the candidate approved notified through e-mail.

To ensure the right of prior hearing of interested parties, the Final Classification project will be announced by any written means to all interested parties.

After communicating the provisional list of the results of the evaluation, candidates have a period of 10 working days to express their opinion in a preliminary hearing of interested parties. Based on the final ranking list, a reserve selection list will be drawn up, to be used for the possible recruitment of new scholarship holders within the scope of this project, up to the duration of the scholarship, which may be used in the eventuality of the first ranked candidate withdrawing, failing to present the mandatory documentation, or in the event of the scholarship

UNIVERSIDADE DE ÉVORA

holder canceling their scholarship early. In the eventuality that none of the candidates demonstrates the profile required to carry out the work plan, the jury reserves the right not to award the scholarship.

**Application deadline and submission of applications:** The tender is open from February the 24<sup>th</sup> of, and March the 15<sup>th</sup> of 2025 and the results of the selection will be published by March the 20<sup>th</sup> of 2025.

Applications must be formalized, obligatorily, by sending an application letter with the following documents: Curriculum Vitae, certificate of qualifications, and other supporting documents considered relevant.

For the purposes of application, the evidence may be replaced by a declaration of honor signed by the candidate, but the failure to demonstrate that evidence, in the contracting phase, possession of the required degree on the deadline for application or the non-presentation of proof of enrollment in the study cycle or non-degree course, for scholarships with this component, imply the cancellation of the candidate's application.

Academic degrees obtained in foreign countries require registration by a Portuguese Institution in accordance with Decree-Law no. 66/2018, of August 16 and Ordinance No. 33/2019, of January 25th.

The presentation of the certificate is mandatory for the signing of the contract. More information can be obtained at: <https://www.dges.gov.pt/pt/pagina/recognition?plid=374>
